

## Junior Financial Controller

### About Neoen

Neoen is one of the world's leading and fastest growing independent producers of exclusively renewable energy. With a capacity of more than 4 GW in operation or under construction, Neoen is a high-growth company. Neoen is notably active in Argentina, Australia, El Salvador, Finland, France, Ireland, Jamaica, Mexico, Mozambique, Portugal and Zambia. In particular, Neoen operates France's most powerful solar farm (300 MWp) in Cestas, and the world's first big battery (150 MW / 193,5 MWh storage capacity) in Hornsdale, Australia.

A player in the fight against global warming and the energy transition, Neoen's mission is to design and implement the means to produce the most competitive renewable electricity, sustainably and on a large scale. As a responsible company whose long-term vision is reflected in a strong and sustainable growth strategy, Neoen is targeting more than 5 GW capacity in operation or under construction by end of 2021.

Neoen (ISIN Code: FR0011675362, ticker: NEOEN) is listed in Compartment A of the regulated market of Euronext Paris. For more information: [www.neoen.com](http://www.neoen.com)

In Ireland, Neoen has acquired mid-2019 eight wind farms in operation, with a total capacity of 53.4 MW and aims to develop further in the country.

To manage the financial aspects of Neoen in Ireland for the operating power plants and the future developments, we are looking for a permanent Junior Financial Controller to be based in Dublin.

### Your mission

An exciting opportunity has arisen for an Accounting/ Business professional to play a key role in the Financial Reporting & Control team. You will have the opportunity to gain invaluable exposure across all aspects of the finance function, as well as work alongside senior members of the team. The ideal candidate must be a team player with a willingness to learn and develop their knowledge. Prior experience in finance role is an essential but the right attitude, self-motivation, ambition & show of commitment is more important.

Based in Dublin, you will report to the Country Financial Controller. The role will focus on financial processes implementation, financial and business reporting, internal control and corporate matters for the Irish entities on solar and wind energy for both current operating assets and assets under construction.

### Key aspects of the role:

- Assistance in preparation of Monthly Closing and Reporting
- Processing invoices and payments
- Balance Sheet and Profit & loss statement Analysis
- Analyzing variances of actuals versus forecast and budgets.
- Enhance processes and procedures on an ongoing basis to ensure a strong control environment.
- Reporting to management on daily/monthly requirements and responding to queries in a timely manner
- Taking responsibility and ownership of tasks
- Supporting other departments across the company
- Assist in audit preparation
- Ad-hoc tasks

## Financial procedures and statutory compliance

- Applying finance, accounting, taxes, payments, and administrative procedures, in line with local requirements and Group procedures.
- Coordinating financial information between local business team, group consolidation team and external accounting team.
- Enhancing the accuracy of the annual financial statements and ensure that reported results comply with local GAAP
- Coordinating with the external auditors for the audit processes
- Responsible for compiling, analyzing, and developing the month-end financial reports including P&L, Balance Sheet, Cashflow, internal controls, etc.
- Ensuring proper controls of accounting operations (Invoicing of Electricity generated, monitoring of receivables, payments, etc.)

## Legal /Corporate/Banking

- Assist the leadership team with ad-hoc projects / initiatives

## Your profile

You hold a bachelor's degree in management, accountancy or finance related field, and 2 years+ work experience in audit, accounting, or similar financial roles.

## Skills & Experience required:

- Relevant 3rd level qualification in business/accountancy
- Currently studying or planning to study for a Professional accountancy qualification: ACCA, CIMA, ACA
- Proficiency in MS Excel, Word, PowerPoint & Windows
- Excellent communication capabilities, both verbal and written
- High attention to detail and thorough in completing work tasks
- Reliable, results oriented, autonomous, rigorous
- Numeric skills - a strong aptitude for reviewing, assessing and coherently presenting financial information
- Ability to work under pressure to meet deadlines and targets within a team environment
- Self-motivated individual with drive, enthusiasm and commitment
- Excellent organizational, analytical and time management skills
- 'Can-do, will do' attitude
- Strong analytical skills- ability to proactively identify and resolve issues with good commercial acumen
- Ability to handle multiple priorities in a dynamic environment
- Fluent English (written and spoken), French would be a plus

## Conditions

Permanent contract

Based in Dublin

Starting date: as soon as possible
