

## Senior Financial Accountant (M/F)

### About Neoen

Neoen is one of the world's leading and fastest growing independent producers of exclusively renewable energy. With a capacity of more than 3.6 GW in operation or under construction, Neoen is a high-growth company. Neoen is notably active in Argentina, Australia, El Salvador, Finland, France, Ireland, Jamaica, Mexico, Mozambique, Portugal and Zambia. In particular, Neoen operates France's most powerful solar farm (300 MWp) in Cestas, and the world's first big battery (150 MW storage capacity) in Hornsdale, Australia.

A player in the fight against global warming and the energy transition, Neoen's mission is to design and implement the means to produce the most competitive renewable electricity, sustainably and on a large scale. As a responsible company whose long-term vision is reflected in a strong and sustainable growth strategy, Neoen is targeting more than 5 GW capacity in operation or under construction by end of 2021.

In Ireland, Neoen has acquired mid-2019 eight wind farms in operation, with a total capacity of 53.4 MW and aims to develop further in the country.

To manage the financial aspects of Neoen in Ireland for the operating power plants and the future developments, we are looking for a permanent Senior Financial Accountant to be based in Dublin.

Neoen (ISIN Code: FR0011675362, ticker: NEOEN) is listed in Compartment A of the regulated market of Euronext Paris.

### Your mission

Based in Dublin, you will report to the Financial Controller Ireland. The role will focus on financial processes implementation, financial and business reporting, internal control and corporate matters initially for Irish Operating wind entities.

You may also be required to work for our solar power plant joint venture for entities both in operation and also under construction.

#### Financial procedures and statutory compliance

- Implementing finance, accounting, taxes, payments, and administrative procedures, compliant with local requirements and Group procedures.
- Coordinating financial information between local business team, group consolidation team and external accounting team and supervise the work of the latter
- Processing invoices and payments
- Enhancing the accuracy of the annual financial statements and ensure that reported results comply with local GAAP
- Coordinating with the external auditors for the audit processes
- Responsible for compiling, analyzing, and developing the month-end financial reports including P&L, Balance Sheet, Cashflow, internal controls, etc.

#### Budget and reporting

- Preparing budgets and forecasts
- Analyzing variances of actuals versus forecast and budgets
- Issuing a monthly reporting and cash flow forecast, and semi-annual consolidation packages of the country (including P&L, CAPEX, cash flow and forecasts) and ensure that reported results comply with IFRS and Group procedures.

## Taxes and processes

- Ensuring proper control of local tax returns prepared by local external accountants
- Ensuring proper controls of accounting operations (Invoicing of Electricity generated, monitoring of receivables, payments, etc.)
- Tax planning and process optimization
- Ensuring compliance with local tax requirements

## Corporate finance and bank relationship

- Coordinating corporate documentations with legal counsels of the Lenders
- Monitoring compliance with debt covenants and mandatory operational and financial reports
- Maintaining relationship with the bank agent

## Legal and corporate

- Monitoring corporate compliance with local advisors
- Maintaining relationship with the shareholders
- Assist the leadership team with ad-hoc projects / initiatives

## Your profile

You hold a bachelor's degree in management, accountancy or finance related field, and 4-5 years' work experience in audit, accounting, or similar financial roles. Ideally you will have experience in a big 4 company as a qualified accountant with 1 years PQE.

## Excellent written and verbal communication skills

- Strong communication skills, both verbal and written
- High attention to detail and thorough in completing work tasks
- Reliable, results oriented, autonomous, rigorous
- Strong Excel competency
- Strong analytical skills- ability to proactively identify and resolve issues with good commercial acumen
- Ability to handle multiple priorities in a dynamic environment
- You are results-oriented
- Have knowledge of Irish Gaap.
- Fluent English (written and spoken), French would be a plus

You will be based in our office in Dublin.

**Please send you CV and cover letter, to Donal O Connor**
