

## Transaction Analyst (M/F)

### About Neoen

Neoen is one of the world's leading and fastest growing independent producers of exclusively renewable energy. With a capacity of more than 4,1 GW in operation or under construction, Neoen is a high-growth company. Neoen is notably active in Argentina, Australia, El Salvador, Finland, France, Ireland, Jamaica, Mexico, Mozambique, Portugal and Zambia. In particular, Neoen operates France's most powerful solar farm (300 MWp) in Cestas, and the world's first big battery (150 MW / 193,5 MWh storage capacity) in Hornsdale, Australia.

A player in the fight against global warming and the energy transition, Neoen's mission is to design and implement the means to produce the most competitive renewable electricity, sustainably and on a large scale. As a responsible company whose long-term vision is reflected in a strong and sustainable growth strategy, Neoen is targeting more than 10 GW capacity in operation or under construction by end of 2025.

Neoen (ISIN Code: FR0011675362, ticker: NEOEN) is listed in Compartment A of the regulated market of Euronext Paris. For more information: [www.neoen.com](http://www.neoen.com)

### Role purpose

We are hiring a Transaction Analyst to join the Europe & Africa finance team. In this role, you will participate in financial due diligence, acquisition projects, and lead integration planning and execution.

Based in Paris, you will report to the Senior Financial Controller Europe & Africa and will be working on the acquisition of renewables projects throughout the zone, in cooperation with the business development teams. You will be present at each step of the deal, from early stage to the integration, and will be accountable for:

- Preparing due diligence plan to rigorously assess key risks and deal value drivers
- Leading financial and tax due diligence on potential acquisitions
- Reviewing the financial models
- Structuring the deals from a tax, accounting and financial perspective
- Ensuring that legal documentation is aligned with the conclusions of the due diligences
- Leading planning and execution of finance integration into our internal organization
- Following-up on the post-acquisition key topics
- Developing tools, processes and methods to efficiently execute such transactions

### Candidate profile

You have 3-5 years of work experience in a Transaction Advisory Services team, in an investment bank or in a company and are eager to work as part of a finance team in a fast-growing company.

You have a broad range of competencies such as accounting, finance, financial modeling, project structuring, taxes, legal and are willing to be involved at each step of the acquisitions, from the NBO stage to the integration of the targets.

You are reliable, results oriented, autonomous, rigorous and analytical, with a good business sense and proven communication skills.

You are fluent in French and English (written and spoken).
